Re: Final Approval

ACT/047/002

Dear Mr. Downen:

This letter is to inform you that the 30 day period for public comment concerning tentative approval for the Utah Experimental Site #1 has ended. Having received no adverse comment on this matter, the Division will proceed with the final approval process.

Since Geokinetics has posted surety with the Division of State Lands for Sec. 2, T. 14S., R. 22E., Uintah County, Utah, and has fulfilled all other requirements under the Utah Mined Land Reclamation Act, final approval is hereby issued to Geokinetics to conduct in-situ oil shale retorting at this location.

Please contact this Division if you have any questions concerning this final approval process.

Sincerely,

RONALD W. DANIELS
